Champion Ribbons Awarded as Judge Desires Ribbon Only

JUNIOR PLANT AND SOIL SCIENCE

Department 214

Judging Face to Face on Tuesday

HORTICULTURE FIELD CROPS - RULES

1. For a sheaf exhibit, cut several hundred stalks of clean straw with good ripe heads and strip off the leaves. Tie the stalks into a neat, attractive bundle and square off the end with knife or shears.
2. For a threshed grain exhibit, run a bushel through the fanning mill several times and provide a peck of plump uniform kernels.
3. When corn is exhibited before it is ripe, it is shown as bundles of four stalks. Stalks should be uniform in size and height and should have good ears of uniform maturity on shanks of uniform length. The ears should be uniform in height on the stalks, 3 to 3 1/2 feet from the bottom. Corn stalks must be exhibited in a plastic bag that is placed in a plastic pail.
4. One exhibit per entry number.
5. All entries must be tagged with the named variety of the crop.

CLASS A FIELD & CANNING CROPS

JUNIOR FLOWERS AND PLANTS

Department 215

Judging Face to Face on Tuesday

RULES

1. Members are to exhibit in the class which corresponds to the unit in which they are enrolled.
2. Members must furnish their own vases for flowers. PLEASE DO NOT BRING POTS OR VASES OF VALUE to the Fair. All containers are brought at the owner's risk.
3. Potted plants should have an appropriate drain dish under the plant container.
4. Flowers are judged 60 percent on the flowers and 40 percent on the arrangement.
5. Plants must be clean and free from insects and disease injury. Unhealthy plants will be disqualified, rejected and sent home by the Superintendent.
6. House plants must be labeled with the correct name.
7. All house plant entries must have been started from slips, cuttings, seeds, or bulbs since September 1 except in Class B entries 8-10.
8. All cut flowers exhibited must be grown by the exhibitor.
9. One exhibit per entry number.
