

# OPEN CLASS BEER AND CIDER

## Department 124

### RULES

1. See Open Class Division General Rules.
2. Divisions and classes use the BJCP (Beer Judge Certification Program) Guide to styles for use in this competition. Waukesha County Fair will accept entries in BJCP categories 1-34 (and all appropriate subcategories).
3. Only one exhibit per entry number. Exhibitor must be 21 years old to provide entry.
4. **Two standard bottles**, of Green or Brown glass, are required between 10 to 16 ounces in volume. Use of brown bottles is encouraged as it better protects your beer from light versus the green glass.
5. Amateur Beer exhibits will be accepted no later than Sunday, July 11<sup>th</sup> by 7pm at Raised Grain Brewery in Waukesha located at 1725 Dolphin Drive, Suite B, Waukesha 53186. Judging time to determine the top beer selections will occur the weekend prior to Fair at Raised Grain Brewery. Exhibits entered will be on display throughout the entire 5-Day Fair and must be in place until 7:00 p.m. on Sunday.
6. Amateur Cider exhibits will be accepted on Tuesday, July 20<sup>th</sup> between 11 and 7pm at the Waukesha County Expo Grounds – round Arena Building.
7. Top beer selections and final judging will be held Wednesday of Fair at 6pm in the Arena Building.
8. All beer will become the property of the Waukesha County Fair Association. Exhibitors may call for ribbons and bottles following the conclusion of the Fair.
9. All unused beer that is judged will be discarded. The empty bottles will be on display.
10. No commercially made products may be entered.
11. Beers will be refrigerated prior to judging unless noted otherwise.
12. For all divisions, except best label, the bottle should be free of all labels and only standard beer closures are accepted (crown caps and porcelain flip-tops). All markings on caps must be obliterated with a permanent black marker.
13. A 3" x 5" card must be included and list exhibitor's name, type of product, and year of product made.
14. For the best beer label division, the label, should be crafted and designed by the home brewer and applied to a 10 to 16 ounce bottle with standard beer closure. Criteria used will include creativity, clarity, artistic appeal, and appropriate for beer style.
15. Labels produced for or by a commercially licensed facility are ineligible.
16. Beer and Cider will have the opportunity for one Best of Show awarded at judge's discretion.
17. Each division may have one Grand Champion awarded at judge's discretion.
18. Placements will be judged per division as whole regardless of the number of classes entered.
19. Entries not meeting rules may be disqualified.
20. Entries are entirely the decision of the exhibitor as to which category and subcategory the entry will perform best. Judges will reference the BJCP guidelines to judge how well your entry fits its category and subcategory; thus, points could be lost if a beer is not entered in the appropriate category. A downloadable version of the complete BJCP style descriptions is available at [www.bjcp.org](http://www.bjcp.org).

*\*Please note, for 2021, this is not a BJCP sanctioned event.*
