What is Junior Livestock Auction?

The 2023 County Executive and Fair Marshal's Junior Livestock Auction at the Waukesha County Fair on Friday, July 21st is the culmination of a year's project activities for 4-H, FFA, and other youth group members. As a learning and business venture these young men and women have selected, fed, and groomed an animal (steer, lamb, swine, poultry, rabbit, or goat). They have brought their project to the Fair to be judged, graded, and sold. The youngsters anticipate a better price for their animals at the auction than the going market price. Support of the auction provides recognition and incentive for young adults to earn college funds, to buy more animals, and to receive practical training in business. Buyers can support a young person in their community by purchasing an animal. **Animals may be resold at current market prices if buyers do not wish to take delivery of the meat.**

How to Buy

The Auction takes place in the Insight FS Livestock Coliseum, on the northeast side of the fairgrounds and is open to everyone. Interested bidders may obtain a sale sheet at the Buyer's Registration Table. The sheet contains information regarding the official sale weight, breed, and the owner of each animal. Bids are made in cents per pound with the animal going to the highest bidder (bidding on rabbit, poultry or goat is not per pound, it is per animal). If you need help in bidding, assistants at the auction will be glad to help.

Remember, if you are unable to attend the auction yet wish to purchase an animal, you may do so by filling out a Purchase Authorization Agreement and have your authorized person turn the form into the Buyer's Registration Table at the time of the sale. The Livestock Sale Committee can also assist you as a proxy buyer if so desired.

Payment for the animal should be made at the sales table. If you wish, you may be billed for the animal. Please give complete instructions as to the disposition of the animal:

- if you are picking up a live animal.
- if it is to be slaughtered for home use. Please be sure you state the name of the food processor where the animal is to be cut, wrapped and frozen. (Information will be available on custom slaughtering, cutting, and wrapping).
- **if you wish to help out a junior exhibitor, but do not wish to have the processed meat, you may purchase an animal for Resale.** By doing so, your animal will be sold for the current market price, and you will be reimbursed for that amount. Just check **RESALE** on the buyer's sale slip and the Committee will make the resale arrangements for you.

Buying the Best

Per the examples you will receive approximately that amount of meat which will be cut, well trimmed, and ready for the freezer. Prices shown are for example purposes only. Buyers are encouraged to offer bid prices at their own discretion.

For tax purposes, please note that prices paid for animals over and above current market prices are tax deductible as advertising expenses.

EXAMPLE FOR RABBIT: Meat pen consists of three rabbits live weight in 5 lbs dressed weight would be 3 lbs.

EXAMPLE FOR POULTRY: On average poultry dressed weight is 25% less than live weight. So, a 40 lb. bird would have a dressed weight of 30 lbs.

EXAMPLE FOR BEEF:

A 1,200-pound live weight beef will provide approximately the following amount of dressed meat:

Steaks (T Bone, Porterhouse, Club Steaks)	60 lbs.
Round Steak, Rump or Sirloin Tip	15 lbs.
Chuck Roast	70 lbs.
Ground Beef	240 lbs.
Stew Meat and Miscellaneous Cuts	45 lbs.
TOTAL	450 lbs.

If your bid is **\$2.00 per pound**, the animal would cost **\$2,400**. Processing charge (slaughter, cutting, wrapping, freezing, etc.) is approximately **\$800**, so your total would be **\$3,200**.

EXAMPLE FOR PORK:

A 230-pound swine will provide approximately the following amount of dressed meat.

Ham	32 lbs.
Bacon	25 lbs.
Chops	24 lbs.
Shoulder Cut	28 lbs.
Spareribs	6 lbs.
Sausage	16 lbs.
Misc. Cuts	15 lbs.
TOTAL	146 lbs.

If your bid is **\$2.00**, the animal would cost **\$460**. Processing charge (slaughter, cutting, wrapping, freezing, etc.) is approximately **\$285**, so your total would be **\$745**.

EXAMPLE FOR LAMB:

A 130-pound lamb will provide approximately the following amount of dressed meat:

Chops	7 lbs.
Legs	16 lbs.
2 Shoulders	15 lbs.
2 Spareribs	5 lbs.
Lesser Cuts	5 lbs.
TOTAL	48 lbs.

If your bid is **\$1.50**, the animal would cost **\$195**. Processing charge (slaughter, cutting, wrapping, freezing, etc.) is approximately **\$145**, so your total would be **\$340**.

Support our Fairest of the Fair program!

The 2023 Waukesha County Fairest of the Fair auction basket contains some hidden gems from Waukesha County! Being Fairest of the Fair this year has afforded me the opportunity to launch the Spectacular Showmen Inclusive Livestock Show, which will highlight the abilities of special people and provide them an up close, hands-on experience with livestock. Waukesha County has numerous special individuals with incredible talents. This basket reflects a few of those talents. All the pieces in this basket were created at the Art Links class affiliated with ACAP (Adaptive Community Approach Program) located in downtown Waukesha. The items in this basket include a handmade patchwork shoulder bag, individually created greeting cards, and one of their signature fired-clay garden sculptures. Enjoy an evening out with a certificate to Tofte's Table, specializing in seasonal small plate creations. Also tucked inside is a gift card to my favorite frozen custard shop.

Thank you all so much for your support of the Waukesha County Fair!

Sincerely,
Ellie Szczech
