To All it May Concern,

At the Wisconsin Livestock Breeders Association (WLBA) Board Meeting, held on Wednesday, February 7, 2024, the board unanimously voted to not be an approved youth organization for junior exhibitors to show/exhibit under at any county or state fair going forward from this date. This includes any junior exhibitor that has previously exhibited under the WLBA organization in the past.

Please direct any questions to WLBA Executive Director Jill Alf at wisconsinlivestockbreeders@gmail.com or 608-743-9080 after 5:30 pm weeknights.

Respectfully,

Jill C Alf
